Andrii Dobronos

Junior Front-end developer

SUMMARY

I am a highly motivated individual with a passion for technology and a background in designing and assembling custom kitchens. Recently, I completed a training program, where I deepened my knowledge of HTML, CSS, JavaScript, and the React framework. I am a quick learner and am dedicated to growing my skills in the IT industry. With my strong math skills and attention to detail, I am confident in my ability to succeed as a front-end developer in Ukraine's competitive market.
